[FRL-9922-60-OGC]

### Proposed Settlement Agreement, Clean Air Act Citizen Suit

**AGENCY:** Environmental Protection Agency.

**ACTION:** Notice of Proposed Settlement Agreement; request for public comment.

**SUMMARY:** In accordance with section 113(g) of the Clean Air Act, as amended (“CAA” or the “Act”), notice is hereby given of a proposed settlement agreement to address a lawsuit filed by Finger Lakes Zero Waste Coalition, Inc. and Katherine M. Bennett Roll (collectively Plaintiffs’): Finger Lakes Zero Waste Coalition, Inc. v. McCarthy, No. 6:14-cv-06542 (W.D.N.Y.). On September 16, 2014, Plaintiffs filed this complaint alleging that Gina McCarthy, in her official capacity as Administrator of the United States Environmental Protection Agency (“EPA”), failed to perform a non-discretionary duty to grant or deny within 60 days a petition submitted by Plaintiffs. In their petition, Plaintiffs requested that EPA object to a CAA Title V permit issued by the New York State Department of Environmental Conservation to Seneca Energy II, LLC, for purposes of operating a landfill gas-to-energy facility in Stanley, New York. The proposed settlement agreement would establish a deadline for EPA to respond to this petition.

**DATES:** Written comments on the proposed settlement agreement must be received by **insert date 30 days after publication date in the Federal Register**.

**ADDRESSES:** Submit your comments, identified by Docket ID number EPA-HQ-OGC-2015-0080, online at [www.regulations.gov](http://www.regulations.gov) (EPA’s preferred method); by e-mail to [oei.docket@epa.gov](mailto:oei.docket@epa.gov); by mail to EPA Docket Center, Environmental Protection Agency,

**SUPPLEMENTARY INFORMATION:**

**I. Additional Information about the Proposed Settlement Agreement**

This proposed settlement agreement would resolve a lawsuit filed by Plaintiffs seeking to compel the Administrator to take actions under CAA section 505(b)(2). Under the terms of the proposed settlement agreement, EPA would agree to sign a response to the petition by June 30, 2015. The proposed settlement agreement also provides for the possibility that circumstances beyond EPA's reasonable control could delay compliance with the June 30, 2015 deadline, and provides a framework for extending that deadline. In addition, the proposed settlement agreement also enumerates Plaintiffs' costs of litigation, including attorney fees, and provides that payment of those costs will constitute a full and complete settlement of all of Plaintiffs' costs in connection with this litigation.

For a period of thirty (30) days following the date of publication of this notice, the Agency will accept written comments relating to the proposed settlement agreement from

persons who are not named as parties or intervenors to the litigation in question. EPA or the Department of Justice may withdraw or withhold consent to the proposed settlement agreement if the comments disclose facts or considerations that indicate that such consent is inappropriate, improper, inadequate, or inconsistent with the requirements of the Act. Unless EPA or the Department of Justice determines that consent to this settlement agreement should be withdrawn, the terms of the settlement agreement will be affirmed.

## **II. Additional Information about Commenting on the Proposed Settlement Agreement**

Once in the system, key in the appropriate docket identification number then select “search.”

It is important to note that EPA’s policy is that public comments, whether submitted electronically or in paper, will be made available for public viewing online at [www.regulations.gov](http://www.regulations.gov) without change, unless the comment contains copyrighted material, CBI,

or other information whose disclosure is restricted by statute. Information claimed as CBI and other information whose disclosure is restricted by statute is not included in the official public docket or in the electronic public docket. EPA's policy is that copyrighted material, including copyrighted material contained in a public comment, will not be placed in EPA's electronic public docket but will be available only in printed, paper form in the official public docket. *B. How and To Whom Do I Submit Comments?*

If you submit an electronic comment, EPA recommends that you include your name, mailing address, and an e-mail address or other contact information in the body of your comment and with any disk or CD ROM you submit. This ensures that you can be identified as the submitter of the comment and allows EPA to contact you in case EPA cannot read your comment due to technical difficulties or needs further information on the substance of your comment. Any identifying or contact information provided in the body of a comment will be included as part of the comment that is placed in the official public docket, and made available in EPA's electronic public docket. If EPA cannot read your comment due to technical difficulties and cannot contact you for clarification, EPA may not be able to consider your comment.

Use of the [www.regulations.gov](http://www.regulations.gov) website to submit comments to EPA electronically is EPA's preferred method for receiving comments. The electronic public docket system is an

“anonymous access” system, which means EPA will not know your identity, e-mail address, or other contact information unless you provide it in the body of your comment. In contrast to EPA’s electronic public docket, EPA’s electronic mail (e-mail) system is not an “anonymous access” system. If you send an e-mail comment directly to the Docket without going through [www.regulations.gov](http://www.regulations.gov), your e-mail address is automatically captured and included as part of the comment that is placed in the official public docket, and made available in EPA’s electronic public docket.
